NORDHAUSEN HAPPENINGS

Harold Nordhausen, Karen Christner, Donna Gockley with their Nordhausen cousins from Germany, Uwe, Angelina, Petra and Dennis

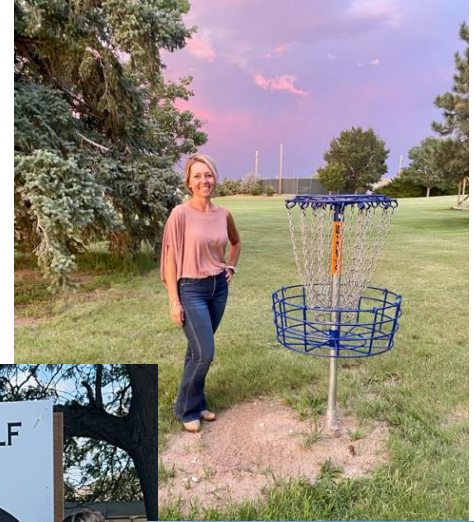

The Nordhausen Happening XVI met at the home of Josh Taylor east of Hamlet on August 2 and 3, 2024, with host families, Marie, Chris, Elise and Dora. The theme for the reunion was Nordhausen Treffin 2024. Four cousins from Duddenhausen, Germany, Uwe and Angelika Nordhausen and Petra and her son Dennis Nordhausen, joined 253 of their American cousins. The Duddenhausen community was home for Dietrich and Dorothea (Wicke) Nordhausen and their twelve children. Uwe Nordhausen's Great Grandfather Erich accompanied his cousin, Chris Nordhausen, to America but chose to return to Germany. The main event Friday was remembering the Nordhausen children as they traveled to America to establish a new home for them and their families. Fred, Emma, Chris, Elise, Dora, Carl, Bertha, Dick and Herman lived south of Wauneta and were members of St. Paul's Lutheran Church. Marie settled in Colorado, Anna and Adele lived on the East Coast.

Saturday's events included a noon barbecue, water games and slides for the children and lots of time to visit and reconnect with families. There was a memorial remembrance for the seven family members we have lost since the last reunion. Pictures were taken of each family and the 6 generations. Karen Christner was the oldest and youngest was Elise Gohl, daughter of Blair Dixon Gohl. Kurt and Minnie Denker traveled the furthest from Harlingen, Texas. After the evening meal there was a presentation by Uwe and Dennis Nordhausen with information about the Duddenhausen region where our Nordhausen ancestors lived. A skit was presented by the host families showing how the family traveled back and forth to America until the last of them came in 1928. An auction was held by auctioneer, Jay Nordhausen, with family donations and cherished items from Germany. This auction help support future gatherings.

The fun continued well into the night and a good time was had by all.....Prost

Nordhausen Happening XVII will be held in 2027 with host families, Carl, Dick, Herman and Adele.

Wauneta Disc Golf completed. Frenchman Valley Development Corp was the major donor for this project. Sabrina Sandoval is representing the Girl Scouts who gave money to this project, Shane Anderson is representing the Boys Scouts who also gave money. Representing the Frenchman Valley Development is Brenda Anderson, Bernita Steinert, Dave Jussel and James P Johnston. Chad & Jennifer DeWester and Michelle Harchelroad are representing the Jan DeWester Memorial, who supplied the sign and the Tee off holes, along with several other small donations. Thank you to the Village of Wauneta for installing. There are disc sets at Crossroads that you can rent out to play the game. Enjoy!

The Wauneta Chamber has been providing the Wauneta Happenings now for 3 years. The purpose behind it was to keep the community informed of what is going on in this wonderful community of Wauneta. Each month we print around 300 copies and have available at Wauneta Crossroads, Sandhills State Bank and Wauneta Senior Center. We also, send an electronic copy to the businesses that can print color duplex copies for their employees. Each newsletter is also put on the Village of Wauneta Website (Wauneta.com). As always, there is a cost for doing this. If you have been enjoying the Newsletter and would like it to continue, please make a donation to the Wauneta Chamber by dropping off at the Sandhills State Bank or mailing it to Wauneta Chamber, PO Box 211, Wauneta, NE 69045.

WAUNETA LIBRARY NEWS

Greetings All! Are you as ready for Fall as I am?? The days are shortening, and Harvest is upon us ~ I can hardly believe how fast Summer has come and gone. I must say that as Fall is my favorite time of year, I am certainly looking forward to cider, books, and a roaring fire. I also anticipate feeling that nip in the air that let's us know it's time to store the mowers, put up our Summer projects and move on to Fall ones and enjoying evening sunsets while they're still after 7pm! Here at the Library, we are happy to encourage warm beverages in our reading nook, as well as offer a great selection of new titles. If you haven't been in for a while, please drop by! We're always happy to see you and cannot wait to share our ever-evolving space. Take care out there, and here's to a fruitful, blessed, and bountiful Harvest.

Read On, Friends,

Amanda Ziegler

The Ekklesia Prison Ministry Team is coming to our area soon.

Ekklesia is a Multi-Denominational Christian Prison Ministry for Men

Please join them for fellowship and worship time while they are here

Their schedule will be as follows:

EMPLOYEE OF THE MONTH

ELISE BROWNE, RN-IP

Elise is the August 2024 Employee of the Month! Elise is described by her coworkers as calm, intelligent, and a team leader. Elise says she always wanted to work in the medical field, her first job was a lifeguard and swim teacher so she could learn CPR and first aid. Elise has a degree in psychology and is now working towards her Nurse Practitioner license. Elise enjoys working at WC&TC and you can often find her with her son, Kazmir.

Congratulations on this achievement and thank you for all that you do for our little home!

WAUNETA CHAMBER WELCOMES TEACHERS AND STAFF BACK WITH A BREAKFAST

Recipes by Rhonda

Corn Tortilla Chicken Lasagna

36 corn tortillas (6 inches)

6 cups cubed cooked chicken breast

2 cans (one 28 ounces, one 16 ounces) kidney beans, rinsed and drained

3 jars (16 ounces each) salsa

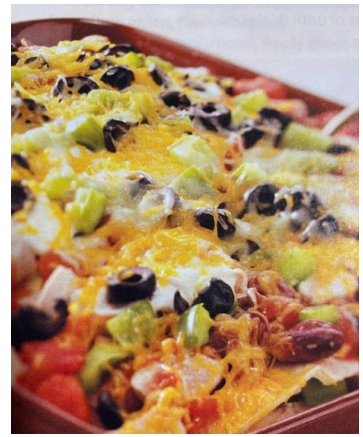

3 cups (24 ounces) sour cream

3 large green peppers, copped

3 cans (3,8 ounces each) sliced ripe olives, drained

3 cups (12 ounces) shredded Monterey Jack cheese

3 cups (12 ounces) shredded heddar cheese

In each of two greased 12 in x 9 in x 2 in baking dishes, arrange six tortillas. Top each with 1 cup chicken, 2/3 cup kidney beans, 1 cup salsa, ½ cup sour cream, ½ cur green pepper, about 1/3 cup olives, ½ cup Monterey Jack cheese and ½ cup cheddar cheese. Repeat layers twice.

Cover and bake at 350 degrees for 25 minutes. Uncover; bake 10-15 minutes longer or until the cheese is melted. Let stand for 10 minutes before serving. Yield: 2 casseroles (12 servings each).

Warembourg to Compete at National FFA Convention

Wauneta-Palisade senior Justin Warembourg has qualified to compete in the Agriscience Fair competition at the National FFA Convention. Justin's project won his division at the State FFA Convention in April. He then had to re-submit his edited report to the national judges, placing him in the top 10 in the nation and securing him a spot on stage to receive his award on October 25th in Indianapolis, IN.

Justin will have an online interview in late September, during which he will answer questions about his experiment. Justin's experiment tested the quality of different bottled water and tap water from the school. He tested the water for Total Hardness, Free Chlorine, Iron, Copper, Lead, Nitrate, Nitrite, MPS, Total Chlorine, Fluoride, Cyanuric Acid, Ammonia Chloride, Bromine, Total Alkalinity, Carbonate and pH. Core Hydration bottled water was the best quality of the brands he tested.

What an amazing community we live in. Thanks to generous contributions in memory of Beryl Knotwell from our clients at the senior center we were able to replace the sign on the north side of the senior center. The original sign was damaged during the hail storm in June. A special shout out to Mary Dudek for her inspiration.

VILLAGE OF WAUNETA

Do You Have a Lead Service Line? The Village of Wauneta needs your help! The State of Nebraska Dept of Environmental and Energy has made it mandatory that all utility providers comply with new reporting requirements regarding lead water service lines. The Village is required to supply an inventory of water service lines from the water main to the home. We are requesting help from property owners on identifying the service line entering the residence. **Please complete the following survey and return it to the Village Office.**

Adverse Health Effects of Lead

Drinking water that contains lead can damage a developing brain. It is especially harmful for children 6 and under and in adults, lead can increase blood pressure. With your help, your utility can reduce elevated levels of lead in your community.

Source of Lead

Your water system tests for lead levels regularly, but as you know, the source of lead in drinking water is often lead pipes and plumbing components in the distribution system that provides drinking water to your home.

Service Lines

Drinking water for your home is delivered from the water main to your home by a service line. Service lines can contain lead. Identifying homes with lead service lines or lead components crucial because corrosion of these materials over time can cause lead to accumulate in your drinking water.

How to Determine If I Have a Lead Service

Check your records. Have you completed maintenance on your service line? Do you know when your home was built? If your home is older than 1988 and has the original service line or plumbing, then your home may have a lead service line or a lead component.

Inspect the service line yourself. You can save time and money and inspect the service line yourself. These lines typically enter your home through the wall facing the street on the lowest level but each setup can be unique to each home. If you do not own your home, please contact the homeowner for this information.

Is it Lead?

Start with a magnet or scratch test. Gently scratch the surface of the pipe with a coin. If the pipe is soft, easily scraped, silver, and a magnet doesn't stick, it is most likely lead.

If Not Lead, Then What?

1. Does a magnet stick? If so and the line is dull grey when scratched, this portion of the service line is **galvanized steel**.
2. If the magnet doesn't stick, it is same color as a penny when scratched or has greenish blue build up, this portion of the service line is **copper**.
3. If the magnet doesn't stick, it is white-ish yellow or grey, is joined with a clamp, screw or glue, this portion of the service line is **plastic or Chlorinated polyvinyl chloride (CPVC)**.
